The CI BS7 Power Blender has the extra power you may need for blending, grinding, chopping ... and heating as well, thanks to a 1,800 watt motor. Capable of handling even the toughest blending tasks, the CI BS7 is extremely easy to operate. The stylish profile and contours of the appliance give it an elegance look that ideally complements the manufacturer's CI D5 infrared dehydrator. Perfect smoothies, creamy nut butters, warm soups ... creative blended foods are easier than ever to enjoy with the CI BS7 Power Blender - a flattering addition to any kitchen.

#### Extremely easy to operate

Just dial the lighted control knob to operate the CI BS7 blender, selecting from intuitive settings including pulse mode. Turning the control dial adjusts blender speed and power. Push the dial knob in for pulse blending and chopping.

#### The compelling features of the Wartmann WM-1912 DH:

- Easy one-touch dial operation
- Modern design (complementing the CI Dehydrator)
- Powerful 1800 watt motor
- 8-blade stainless steel cutter
- Cutter unit removable for thorough cleaning
