- With Swiss adapter

Product data

Item no.	65101SI
EAN	7 374160 99686
Housing material	BPA-free* plastic
Functionalities	Blending
Capacity	2 litres
Special feature	1400 watt motor, convenient presetting function
Dimensions WxHxD	21.5 x 49.0 x 21.5 cm
Weight	7.7 kg
Motor capacity	1400 watts
Voltage	220-240 V
Warranty (non-commercial use)	2 years
Warranty (commercial use)	6 months
Certified quality	BPA-free*, 

Available colours: Silver

Omega Juicers: known for decades for juicer products of excellence. Now Omega Juicer is introducing the high-performance OM7562SF blender in Europe following initial launch in the US in 2016.

A 1400 watt motor puts this Omega blender way out ahead of the competition. Double-bladed cutter and drive coupling of high-quality stainless steel. Pitcher made of BPA-free Tritan plastic. Rotating double-bladed cutter specially designed to optimally circulate foods inside the Omega blender, steadily drawing them back down for blending.

Intuitive, attractively designed operation panel; timer range from 15 seconds up to 6 minutes. Make warm soups in no time flat! Pulse function, precise timer and speed settings and Infinity Control program for perfect smoothies - motor starts and stops at intervals for superior blending. The Omega Blender is manually operable as well at 11 selectable speeds. Sharp-looking product with cable coil holder, LED operation light and motor block power switch.

Benefits at a glance:

- 11 speeds selectable manually or by pre-setting
- Powerful 1400 watt motor
- Timer and automated shut-off after 6 minutes
- Robust and stable
- Easy to use and clean

*All food-contacting parts BPA-free. **for non-commercial use
