Weight	3.45 kg
Motor capacity	1560 watts
Voltage	220-240 V
Warranty non-commercial use	8 years
Warranty commercial use	6 months
Certified quality	BPA-free*, 

Available colours: black

Blendtec blenders are in use around the world, popular with restaurant chains, bars and cafés. Users love its design, practical automated blending cycles and “blunt” two-part blade! Blendtec users never have to use a tamper because the blended jar content is easier to get out – and with no risk of injury! The Classic 575 has compelling arguments in its favour, with a powerful motor that can run at 1560 watts and the indestructible “Will It Blend” safety blade known from YouTube.

This entry-level model into the fascinating world of Blendtec covers all the essentials: simple manual operation, 4 pre-set blending cycles and tremendous results when making smoothies, soups, spreads and more. With the optional Twister jar the Blendtec can be used to make purées, butter spreads, ice cream, sorbets and confectionery doughs.

The compelling features of Blendtec Classic 575 Blender with FourSide jar:

- No-tamp blending: optional Twister jar ideal for thicker consistencies
- Powerful 1560 watt motor
- Four pre-set blending cycles, easy to operate
- Five manual speeds plus pulse function
- Longest warranty offered for comparable devices (8 years)

*All food-contacting parts BPA-free.
